

The Collective Markets Christmas Edition Stallholder Information

When: Friday 15 December 2023 – Saturday 23 December 2023

Times: 10am – 9pm daily (*except for Friday 15th being 5pm - 9pm*)

Where: Little Stanley Street, South Bank Parklands

The Opportunity

The Christmas Markets are a unique opportunity for some of Australia's best artisans to display and sell their Christmas wares within an iconic hub of South Bank Parklands. The Markets will be complimented by a program of entertainment located throughout the Parklands.

Eligible Products

All products offered for sale should be unique, quality products and/or festive ware.

We are looking for a mix of traditional Christmas themed products, including decorations, gifts, cards, toys, clothing, jewellery, home wares and food products – all to fit a range of Christmas shopping budgets.

Entry into the Market will be undertaken on a competitive basis to ensure the market presents the best available variety and selection of products.

This year, the Xmas Market will be using marquees that have a clear PVC roof and a fairy light display in the roof frame. A white polyester ceiling will be also installed to minimise direct sunlight into the stall during the day. The overall effect created by a line of these lighted canopies is expected to create a spectacle for our night-time visitors.

Booking Dates

Please note that stall spaces are limited, and you must book all 9 days.
